Mrs. Frank MacFarlane, hostess, at her home on Fillmore street, at an informal luncheon yesterday in compliment to her sister, Mrs. Cate Jones of Kansas City. The guests were a few intimate friends.

A bridge tournament which was finished this week ended in a dinner party at the Country club with the two defeated players as hostesses. Playing in the tournament were Miss Julia Larimer, Miss Gwen Goddard, Miss Edith Dean and Miss Margaret Lovell. Miss Larimer and Miss Goddard gave the dinner.

An interesting guest in town this week is Miss Helen Hughes, daughter of Judge and Mrs. Hughes of Pierre, S. D. She is visiting Miss Polly Nowers in Potwin. Miss Hughes is a striking girl of the brunette type. She has recently accomplished, having received her degree in piano, voice and dramatic art. She is a graduate of Mount St. Joseph's college in Dubuque, Iowa. She will leave next week for her home.

Among the entertainments given in compliment to Miss Hughes was a morning tea by her hostess Wednesday. Miss Gertrude Kitchell will entertain in her honor Saturday afternoon, and Miss Alice Hughes will have her bridge club with Miss Hughes as an honor guest Monday afternoon.

This afternoon Miss Mary Wright entertained the members of the Sewing club in compliment to Miss Hughes. Those present were Miss Hughes, Miss Polly Nowers, Miss Alice Hughes, Miss Gertrude Gray, Miss Juliet Brown, Miss Winifred Hartley, Miss Margaret Dolan and Mrs. Ray Kimmel of McLean.

Whether or not it is due, in part, to the pending strike on the railroads, we cannot say, but there never was so much overland traffic as this summer, and since the danger of the strike has arisen, numerous cars are passing through Topeka every day with every one of them the two coasts at their various destinations.

Many Topeka people have made trips in their cars during the past two months. Colorado has been the most popular resort for Kansas people, as it always is, and many of these tourists have driven their cars to the state capital, where they will remain some time next week.

Ed Kellam and Mr. Wendell Switzer, who left a few days ago in Mr. Kellam's car for Colorado, arrived at Green Mountain Falls yesterday afternoon at 5 o'clock. During the first eleven hours of their trip they made a distance of 335 miles, reaching the resort at 11 o'clock.

The woman's party held a meeting yesterday afternoon at the Winthrope, for the purpose of introducing Miss Taylor, who is here from New York, to assist in getting the women of Topeka interested in national suffrage.

The following women were elected officers of the woman's party, Mrs. A. M. Turner, chairman; Mrs. W. T. Collins, Mrs. Chester Smith, Mrs. Viola Polly, vice chairmen; Mrs. J. D. McFarland, treasurer; Mrs. Emma Sells Marshall, secretary; and Mrs. C. H. Morrison, auditor. The meeting will be held in two weeks at the home of Mrs. W. T. Collins, 1034 Van Buren street.

Mrs. Lila Day Monroe introduced Miss Taylor, who explained the object of the woman's party, which is to secure an amendment to the United States constitution, enfranchising women. Miss Taylor said in part, "In order to do this it is necessary at present to defeat President Wilson and the Democratic candidates for congress with him. The woman's party was formed to fight the Democratic party because the present administration has not given the women a square deal."

"It is not a matter of never voting the Democratic ticket or of always standing with the Republicans, but only of defeating them. That happens to be the Democratic party this year. We are not like the old colored woman, who, when asked for her vote, said, 'I voted for everything under the rooster.' She was informed that she had voted the straight Democratic ticket. Throwing up her hand in horror she said, 'I'll never do it again.'"

"The woman's party as a whole endorses Mr. Hughes for president because he has taken a firm stand for national suffrage in spite of the bitter feeling, which he is causing in the east among men with power, money and brains."

Miss Taylor read telegrams from Mr. Otis Benton, Mr. Charles M. Harvey, Mr. Thomas C. Wilson, Mr. J. S. Simons and Mr. E. C. Little expressing their sympathy with national suffrage. Mrs. Monroe made an enthusiastic talk in which she said, "The most wonderful thing a statesman can do is what the statement by Mr. Hughes, I

enthusiastic over the hearty response of the western women voters to the appeal of the National woman's party, and having started all its political machinery at the women's re-

turning a trip to the west, Miss Alice Paul, national chairman of the Congressional Union for Woman Suffrage, has just returned to Washington.

While other parties were unprepared, in many cases still waiting for the results of the primaries and look-

ing about for organizers, the Woman's party has gone so far ahead that it has called forth the admiration of leaders in the various other parties, said Miss Paul. She emphasized the great strategic value from a political viewpoint secured by being first in the field, with generals, captains, lieutenants, sub-lieutenants all busy at work in all the districts of the twelve suffrage states.

As typical of the complete political organization in preparation for the coming campaign, Miss Paul spoke of what has been done in Colorado, Wyoming, Washington and California, where congressional districts of counties, in many cases every precinct, have been finished, with chairmen and other officers named and committees appointed to carry out the campaign, which will reach every voter. It is planned to have all this completed by September 15, when campaigning will begin in earnest and the stump speakers for the Woman's party started out.

All the other machinery has been provided, with Miss Anne Martin, chairman Woman's party national committee, at the Chicago headquarters now in charge of the general campaign. She will keep her finger on the political pulse by detailed daily reports from every state organizer, informing her of political sentiment and drift in the various districts. A speakers' bureau has been established and will be directed from Chicago; and a few speakers will be in the field before September 5, after that date there will be a steady stream of them following each other through the various states.

Other important features of the campaign machine include the campaign textbook, the publicity department and the supply department.

Mrs. Ed Adams and Miss Alice Griffin gave an informal porch party yesterday morning at the home of Miss Griffin, 404 Woodmen avenue, to some of their friends. There were sixteen guests, among them Miss Gertrude Kitchell, whose engagement to Mr. Robert Collier was announced, and Mrs. Ed Robertson, of Wichita, formerly Miss Grace Cockrell, who is visiting her parents, Mr. and Mrs. E. M. Cockrell.

Frank T. Burnham, attorney of Kansas City and Miss Irene Smith, teacher of the Polk school, gave a party at the home of Mr. and Mrs. Weisbach. Those in the party are Mr. and Mrs. A. A. Marburg, Mr. and Mrs. Herbert Terkes of Chicago, Miss Anita Weisbach, Mrs. Julia Goldschmidt of New York, Mr. and Mrs. Taylor of Boston, Mr. and Mrs. Howard Helmer of Detroit, Mr. and Mrs. Lloyd B. Harris and daughters of St. Louis, Mr. and Mrs. L. B. Harris, Jr., of Beaumont, Tex.

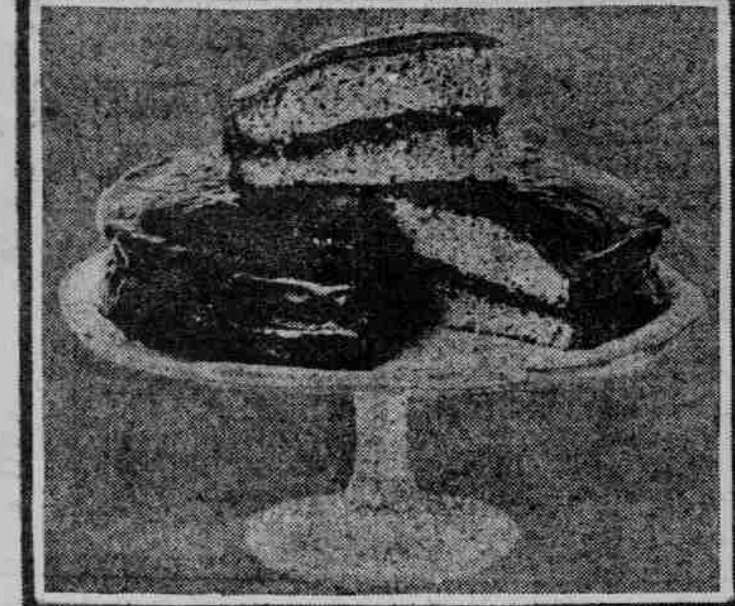

The children of the Polk school playground, under the direction of Mrs. Effie Overmyer, gave a play last night at the Polk school grounds. The name of the farce given is "Wishing Well." Those who took part are Fern Loudebush, Grace Roubush, Lorraine Reed, Florence Bell, Clio Mous, Leatha Caisson, Opai Myers, Dorothy Dana, Isabel Bennett, Fern Halterman, Virginia Price, Helen Broderson, Helen Turnbull, Hesper St. John, Fern Price, Herrick Price, Harold Webb, Melvin Lantz, Nell Overmyer, Bobby Blair and Clifford Blair.

From the Galveston Tribune: Mr. and Mrs. L. D. Goodwin announce the marriage of their daughter, Mary L. Goodwin, to Dr. Marvin M. Markwell. Doctor and Mrs. Markwell are at home to their friends at 2130 Avenue M², Galveston, Tex.

Mrs. F. M. Drake entertained informally Thursday afternoon in honor of Mrs. Robert Copeland of Cushing, Okla., who is her house guest, and Mrs. Josephine Houston, who is leaving for California. The guests were Mrs. Copeland, Mrs. Houston, Mrs. Caroline Lovitt, Mrs. C. D. Crammer, Mrs. T. C. Mueller, Mrs.

TODAY'S PAINTER'S DISH

"COOKERY IS BECOME A NOBLE SCIENCE"

Maple Layer Cake

By CONSTANCE CLARKE.

THE variety possible in the way of cake fillings is almost limitless, yet, in many homes, from year's end to year's end, only two or three kinds are served. This is a new filling and may be used with any good layer cake recipe.

Put one pound of brown sugar in a saucepan with one-half cup of boiling water and stir occasionally until the sugar is dissolved. Boil without stirring until syrup will spread when dropped from tip of spoon. Pour syrup gradually on the beaten whites of two eggs, beating mixture constantly, and continue beating until right consistency to spread. Put between layers and on top and side of cake.

IN NORTH TOPEKA

Dwelling Houses Hitherto Vacant, Are Filling Up.

A New Bridge on Kansas Avenue Is Promised.

North Topeka real estate men are reporting a constant influx of new families into the city. There are indications, they say, that the public is regaining confidence in the North side. If the movement continues, an increase in property values is predicted. There is an increasing prospect that with a renewal of public confidence and the generally flourishing condition of business, the former prosperity of the North side is in a fair way to return.

Resurfacing With Macadam. The county is resurfacing the road north on Kansas avenue to the Lyman schoolhouse with macadam. From the Lyman school the new road extends west of the city of a mile and east about a mile to Happy Hollow.

New Kansas Avenue Bridge. The people in the neighborhood of Garfield park have been speculating as to when the new Kansas avenue bridge over Soldier creek is to appear. The county commissioners assert that as far as practicability is concerned, the present bridge, with slight alteration, would last for ten years. While there are several bridges which will meet the requirements of the county, the bridge the contract will probably be let late in the winter, work to begin next spring. The high price of building materials, the commissioners hope, will have fallen somewhat by that time. At present the expense of constructing a bridge is 30 per cent above normal, and the county is reluctant to pay the added cost.

Blue Post Will Be There. The members of the Blue post are planning to send a liberal representation to the national encampment next week. T. M. Jones is the senior vice commander of the department of Kansas and will go as a delegate. At least eight members will go down with him. The post will hold a meeting at the hall this evening to make definite arrangements.
